CAREER OBJECTIVE

Aspiring Python Full Stack Developer seeking an opportunity to apply and strengthen my skills in web development, databases, and application development. Eager to learn from real-world projects, contribute effectively to a development team, gain industry experience, and continuously improve my technical skills.

SKILLS

PYTHON	JAVASCRIPT	HTML	CSS	TAILWIND CSS	BOOTSTRAP
REACT JS	DJANGO	FLASK	MYSQL	SQLITE	SQLALCHEMY
PANDAS	MATPLOTLIB	STREAMLIT	JINJA2	GIT	GITHUB

INTERNSHIP EXPERIENCE

PYTHON DEVELOPER INTERN(REMOTE) | CODTECH IT SOLUTIONS PVT. LTD. | May 2026 – June 2026

- Developed and tested web application features using Python and Flask.
- Worked with MySQL, SQLite, and SQLAlchemy for database management and CRUD operations.
- Used Git and GitHub for Version Control, debugging, and project collaboration.

PROJECTS

Developer Growth Dashboard [🔗](#)

- Developed a dashboard to track daily developer activities and monitor productivity.
- Visualized progress and insights using interactive charts and data analysis.

Real-Time Dashboard [🔗](#)

- Developed an interactive dashboard using Streamlit and Pandas for data visualization.
- Created dynamic reports and insights for better data understanding and analysis.

Expense Tracker [🔗](#)

- Built a Flask, SQLAlchemy, MySQL app for income and expense tracking with CRUD.
- Implemented database integration for storing and retrieving transaction records efficiently.

EDUCATION

BSC COMPUTER SCIENCE	- SADAKATHULLAH APPA COLLEGE(2023 – 2026)
HSC	- MUSLIM HIGHER SECONDARY SCHOOL(2022)
SSLC	- MUSLIM HIGHER SECONDARY SCHOOL(2020)
